ALLEGES UNFAIR TREATMENT.

Complaint Made Against the Washington Traction Company.

The District Commissioners have received from Mr. Reynolds a copy of a letter sent by him to George H. Harries, vice president of the Washington Traction and Electric Company, complaining of alleged unfair treatment, and saying:

"Sunday last at 7:30 p.m., together with my wife and children, I was ejected from your car No. 707 (Georgetown only) at C and North Capitol street. I do not blame you for the ejection, but I feel that it is trying to serve the public and follow orders, and he was as courteous as could be expected, but I think it an outrage nevertheless."

"We were transferred from North Capitol street to East Washington at 1st and G streets. We waited for a car for fully an hour, and in this time three East Washington cars passed, each one so full that there was not standing room on the running board, so you see it was impossible for us to get on. As there was not another car in sight, I went to C street and there boarded one of the long yellow cars.
